Dear parents and carers,

I hope you are well.

I am writing to give you an update on what is happening with the nursery provision at Woodlands. As you will know from 8th June 2020 we have opened up our nursery provision to groups of children in small bubbles on Mondays and Tuesdays and then on Thursdays and Fridays. For those children who are already back at nursery now we are planning to continue with this model:

- **for term time only children** until the end of the Summer Term 2020
- **for children with all year round contracts** until we close in August 2020

We think that the systems that we have set up are working well and are providing a safe environment for everyone. We believe that we are now in a position to open up this offer to a **limited number of additional children** in July and will achieve this by expanding the sizes of the bubbles in a careful way. Please note we are still limiting the size of the bubbles and so we do not anticipate that we will be able meet the expected demand for places. We apologise for this in advance.

Please could you indicate below whether you would be interested in your child returning to nursery in July 2020. We would be grateful if you send your response to us by Thursday 25th June at 5:00pm.

With Best wishes,

Peter Catling
Headteacher
